# LODGE SCUBA Membership Form

Lodge Scuba Dive Club is a non profit making club run by its members for its members and by investing back into the club aim to keep the cost of diving down. We pride ourselves on being London's Friendliest Dive Club!

We welcome anyone of any qualification from any agency from those just starting out to experienced instructors and technical divers. As you will see from our Pool Sessions page we run several pool sessions throughout the week giving you the real opportunity to get wet and practise your skills.

Unlike many clubs we offer the opportunity to come diving without the need for you to be on a course.

We provide everything you need including full equipment and cylinder of air. So come along and join in either having a bubble, getting involved in our structured Advanced Scuba Skills Workshop or if you haven't been for a while a refresher course!
